PORT BOTANY EXPANSION

Ref: CR-01/VT/066

15 March 2010

Dear Resident and/or Business Operator,

Re: Update on Construction Activities – New Terminal Access Bridge

The design and construction for the Port Botany Container Terminal Expansion is being carried out under deed to Sydney Ports Corporation by Baulderstone Jan de Nul Consortium. Construction is due for completion in March 2011.

Works to construct the new bridge to provide access for trucks entering and exiting the new container terminal from Foreshore Road have already commenced.

Piling activities associated with the bridge abutments will recommence in **late March 2010**. This activity will take up **six (6) weeks** to complete, weather permitting.

Piling works will be undertaken during standard working hours, Monday to Friday from 7am to 6pm, and Saturday from 8am to 1pm.

To find out more about these activities or the Project, or to register a complaint about any activities related to this Project, please contact the Project Information Line (free call) on 1800 177 722, or alternatively visit the website at www.sydneyports.com.au or send an email to portbotany@baulderstone.com.au.

BH-JDN apologises for any inconvenience that this work may cause, and appreciates your patience whilst these activities are carried out in your area.

Yours faithfully,
BH-JDN Port Botany Consortium
