

### **Intermodal Logistics Centre at Enfield**

Leightons Contractors has been awarded the contract to undertake Stage One of works for the construction of the new Intermodal Logistics Centre (ILC) at Enfield, a facility that will be used for the transfer and storage of container freight to and from Botany Bay. These works include a road over bridge and associated works, services works and environmental enhancements.

Preliminary site establishment works are currently underway with construction activities commencing in October 2010. Stage One of the works is due for completion in mid 2011

Works will occur during standard construction hours of Monday to Friday 7am to 6pm, and Saturday 8am to 1pm.
