- Issue: Delays in Grid 4

Short Description: There is a broken down RTG in Grid 4 causing minor delays. One RTG 494 to cover entire Grid 4 until another RTG can be brought in. There is quite a few trucks in Yard and Truck Park. We will be concentrating on the oldest jobs first. At this stage it appears there will be no road work through from 0200hrs until 0300hrs. Thanks for your patience.
