Overall Terminal Status

Was a contingency report issued? Yes No

- Issue: TERMINAL CLOSED DUE TO GAS SMELL
Short Description: Carriers please be advised we have now closed the terminal till further notice due to reports of a gas smell in the terminal.
Notification Date: 20/08/2010 15:37
- Issue: UPDATE
Short Description: The terminal is still not operational however we are expecting labour to return to work within the hour. Drivers already in the terminal are able to de-process and

leave the terminal if they choose.

All other slots from 3pm, 4pm & 5pm will be serviced when operations resume. Those carriers who choose not to arrive for their booked slots this evening will have all their VBS related fees waived. Wrong zones and no shows on arrived slots will also be waived.

Carriers who have containers attached to slots that will have storage issues if not collected before midnight will need to contact the Transport Office on 9394 0930 or email pbt.transport@dpworld.com to arrange the last free day to be adjusted. We apologise for the inconvenience.
